PACKER 3

SPORTS CRADLE 4

New Era Gymflex offers the highest performance Sports, Dance and Activity floor surface available. Made by Junckers from fully sustainable solid Beech from Europe, it is affordable and easy to maintain. When used with the New Era sports cradle system it will achieve the highest area elastic sports standard of BSEN14904 Part A4 and also conforms to the latest Acoustic impact sound requirements. The versatile leveling capabilities enable floor heights from 60mm - 419mm which makes it unique and great for problem areas that need a level floor finish.
