THE NEW ERA SPORTS CRADLE

New Era Sports Cradles are suitable for high performance sports, dance and Multi-purpose use and have been tested at the Centre of Sports Technology and conforms to En14904: Class A4.*

The performance memory foam pad provides excellent resilience to sport impacts and will give a perfect floor for all activities.

*Subject to certain criteria to ensure compliance.

THE NEW ERA ACOUSTIC CRADLE

New Era Acoustic cradles offer a high performance of impact sound insulation and will offer up to 28db reduction on sound transfer when used on upper floors, making this perfect for new build specifications or renovations. The recycled rubber isolation pad will offer excellent loading and is ideal for all surfaces, whether free weights or general use. The acoustic cradles have been extensively tested at the AIRO laboratory in compliance with the Robust Detail Handbook, FFT2 Resilient Cradle and Batten system.
